

# Programming Questionnaire

To continue our partnership with Miss Erika Johanns and the Ohio State University Extension office for SNAP-ED (healthy eating and exercise) programming, please complete this survey. This will help us to gather the necessary data we need to share with the OSU Extension office. The survey is completely anonymous. Only a collection of the data received (never names) will be shared. Thank you!

How many people (including yourself) live in your home? \*

- 2
- 3
- 4
- 5
- 6
- 7
- 8
- 9+

What is your average family MONTHLY income before taxes (gross income)? \*

Your answer
