Payment for extended care is due on the last day of the week that your child is here. Your schedule will be set with the administrator BEFORE the week begins.

You are responsible to pay for the number of days your child is enrolled OR SIGNED UP FOR, whether or not the child is in attendance. Three 'no shows' (no phone call or any information regarding child's whereabouts when he/she is expected at daycare) and you will be asked to find other child care. In case of absence, payment should be made by the next day your child is at the center, or within one week, whichever comes first. This policy will be strictly enforced.

If your child is a PFCC student, you agree to pay your co-pay on Friday of the week your child is in attendance. If this payment is not received by MONDAY of the next week, your child may not attend child care until the co-pay has been paid.

*Three free days will be given per summer for part time families for family vacations. *Five free days will be given per summer for full time families for family vacations. Two weeks notice will be required in writing and given to the administrator. Subsidized children who sign up for a day of daycare and then do not show up or cancel will be charged the subsidized fee that would have been normally paid to the center if their absence days have been used. Thank you for your consideration in this matter.
